Industry Strategy Expert Joins Kforce Government Solutions, Inc.

William Turner joins KGS as Strategic Development Officer

FAIRFAX, VA, and TAMPA, FL, February 22, 2011 - Kforce Government Solutions (KGS), a wholly-owned subsidiary of Kforce Inc. (NASDAQ: KFRC), today announced that William Turner has joined the company as Senior Vice President and Strategic Development Officer.

“Mr. Turner brings to KGS over 20 years of progressive operations, program and capture management experience spanning both government and commercial sectors. His exceptional accomplishments include eight years managing multi-billion dollar U.S. Special Operations, Central and Southern Command contracts and business development captures. In addition, Mr. Turner has extensive management and capture experience supporting National Intelligence Agencies, the U.S. Department of State, United Nations, Coalition, NATO, and European and African Commands” said Larry Grant, President, Kforce Government Solutions (KGS),

Continued Mr. Grant, “As a member of the KGS Executive Leadership Team, Mr. Turner will develop and implement strategic plans that guide initiatives central to immediate and long term business growth for KGS, including market development and positioning strategies, industry relations and alliances, internal company efficiencies, and assisting with mergers and acquisitions. We are excited to have William join the KGS team. His proven success and prodigious expertise across all aspects of the government solutions industry will be instrumental in helping KGS further develop as a leading prime government contractor for technology, intelligence and business solutions.”

Prior to joining KGS, Mr. Turner served as the Director of Business Development for the Vykin Corporation, a Veteran Owned Small Business (VOSB) defense contractor specializing in Information Technology and Intelligence services. Mr. Turner managed all aspects of corporate marketing and business development. Primarily Mr. Turner held successful positions in Operations and Program Management, Business Development, and Acquisitions and Mergers Management within Lockheed Martin Corporation and L-3 Communications.

Certain of the above statements contained in this press release are forward-looking statements that involve a number of risks and uncertainties. Such forward-looking statements are within the meaning of that term in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Act of 1934, as amended. Factors that could cause actual results to differ materially include the following: business conditions and growth in the staffing industry and general economy; competitive factors, risks due to shifts in the market demand, including, without limitation, shifts in demand for our Kforce Government Solutions, Health and Life Sciences, Finance and Accounting and Technology groups, as well as the market for search and flexible staffing assignments; changes in the service mix; ability of the Firm to complete acquisitions; and the risk factors listed from time to time in the Firm's reports filed with the Securities and Exchange Commission, as well as assumptions regarding the foregoing. The words "should," "believe," "estimate," "expect," "intend," "anticipate," "foresee," "plan" and similar expressions and variations thereof identify certain of such forward-looking statements, which speak only as of the dates on which they were made. The Firm undertakes no obligation to publicly update or revise any forward-looking statements. As a result, such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ materially from those indicated in the forward-looking statements as a result of various factors. Readers are cautioned not to place undue reliance on these forward-looking statements.
