Industry Veteran Joins KGS

Larry Huffman will join KGS to lead Business Development group

FAIRFAX, VA, and TAMPA, FL, May 24, 2010 - Kforce Government Solutions (KGS), a wholly-owned subsidiary of Kforce Inc. (NASDAQ: KFRC), today announced that Larry Huffman has joined the company as Senior Vice President, Business Development.

Mr. Huffman brings over 30 years of extensive experience spearheading the growth of high technology/information technology at companies such as CSC, Northrop Grumman, SI International and MTC in the Federal solutions market, and most recently as Vice President of Marketing and Sales Support for Project Time & Cost (PT&C). In his new role, Mr. Huffman will lead and oversee all of KGS's business development, capture and proposal activities - including teaming and marketing strategies as well as managing the company's staff of professional business development associates.

“We are very pleased to have Larry joining the organization. His proven ability to pursue and win new Federal solutions contracts will be instrumental in helping KGS grow all of our business lines. His experience as a leader with major government contractors will be invaluable as our company continues to grow as a prime contractor; helping to align our capture, marketing and proposal teams for strategic efforts in the future,” explained Larry Grant, President of KGS.

Certain of the above statements contained in this press release are forward-looking statements that involve a number of risks and uncertainties. Such forward-looking statements are within the meaning of that term in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Act of 1934, as amended. Factors that could cause actual results to differ materially include the following: business conditions and growth in the staffing industry and general economy; competitive factors, risks due to shifts in the market demand, including, without limitation, shifts in demand for our Kforce Government Solutions, Health and Life Sciences, Finance and Accounting and Technology groups, as well as the market for search and flexible staffing assignments; changes in the service mix; ability of the Firm to complete acquisitions; and the risk factors listed from time to time in the Firm's reports filed with the Securities and Exchange Commission, as well as assumptions regarding the foregoing. The words "should," "believe," "estimate," "expect," "intend," "anticipate," "foresee," "plan" and similar expressions and variations thereof identify certain of such forward-looking statements, which speak only as of the dates on which they were made. The Firm undertakes no obligation to publicly update or revise any forward-looking statements. As a result, such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ materially from those indicated in the forward-looking statements as a result of various factors. Readers are cautioned not to place undue reliance on these forward-looking statements.
